

## Aida Rosa Santiago

December 26, 2024

Aida Rosa Santiago was born and raised in Puerto Rico. She was born to the late Otilia & Carmen Josefa Santiago. Aida shared her childhood with twelve brothers & sisters.

Aida and her husband Angel Vazquez moved to the Philadelphia area to begin their a new chapter in their lives. Though this union, they had three beautiful children, Aida Ivelys, Angel and Angelina Vasquez.

Aida R. better known as Haydee, loved her family and for many years, she loved working in a greenhouse nursery.

Aida was a woman of God before anything. She was always attending church services and prayed with the sisters.

She would then go to celebrate by going to dances and to the casinos. This she especially loved to do.

As the saying goes "she never let the grass grow under her feet" which was how she lived her life.

Aida Rosa's husband Angel. Her son Angel. And daughter Aida Ivelys proceeded her in death,

Aida Rosa leaves to mourn and cherish: her daughter Angelina Fagan, son-in-law Jeffrey Fagan and especially Granddaughter Jelissa L Fagan, whom she loved and shared a very special bond.

A very special "thank you" to our cousins. Alida and Luciano Rodriguez for always looking out for family and for your continuous love and support.

Also cherishing wonderful memories are brother, sisters, nieces nephews,

God-children and a host of family friends.
