“ *My brother Alistair, may time bring fond memories in place of present sorrows*

*In our minds we always knew,  
this time would come to pass  
But knowing it and living it,  
Has come and gone so fast.*

*Goodbyes are often hard to say,  
They hurt so very much  
Though you're not gone, you still remain  
In the hearts and minds you've touched.*

*Love always Fiona, Ken and family*

“ *Heaven has called upon you today, leaving many words to say.  
But now it's to late, for your time has come.  
Regrets and wishes are probably there too, but lasting forever are  
memories of you.  
I was there when you needed a place to stay, just like you for me  
night and day.  
There have been many times we disagreed, but we were there for  
each other in time of need.  
Now it's time for me (us) to say GOODBYE until we meet again in  
heaven to FLY.  
A Poem for you Sunshine. Maggie*
