“ *My deepest sympathy is extended to all of you as you mourn the loss of your beautiful sister and aunt, Re. I was blessed having her in my life as my friend. She was a joy to be around when I lived in Philly and she was great to talk to now that I live in South Carolina. She was always upbeat and full of wisdom. I will miss her so much. I will cherish the memories that we shared. Rest in Peace my sweet friend, Re. Until we meet again... Terry Gwiazda Beaver*

“ I worked with Re for almost 20 years at 1835 Market Street. She was the most kind and caring tenant I've ever had the pleasure knowing! We spoke so often of many topics especially of our retirements (she retired one+ year prior to me)! We both attended Hallahan High School a few years apart with our own funny stories and good memories! She spoke so lovingly of her family on many occasions during our chats together! I extend my deepest condolences and prayers to her entire family during this difficult time of bereavement! May her soul rest in eternal peace!  
God Bless!
