“ Sissy was the absolute best - a true blue Fairmounter and a great friend. She was a life long friend of many in my family - especially my mother Jackie Kane Dugan. They had many great crazy and fun times and Sissy was there for my Mom when she was dying. She was close to my father Jimmy as well. Sissy was Always was good to me and my sisters. It was an honor to know her - I would go the the deli and then to the diner just to see her. RIP Sissy

“ I remember growing up accross the street from Sissy and her family. I was friends with her daughters and they always were so kind and loving. Years passed and I reconnected with Sissy at my Uncle's. We had a blast at our meet ups and she was like a MaMa and Aunt to me. Always had my back. So much more but she will live in my heart forever!!

“ Sissy and Honey Sponburgh were the best of friends. Dedicated to each other and their Families. Sissy had the biggest heart and it amazed me how she could care for so many people.
She was also very fiery and wouldn't hesitate to straighten someone out if they tried to hurt someone they love, just ask about how she straightened out Tug McGraw.
Our sympathies go out to Sissy's Family and to everyone that is feeling her loss.

Sincere condolences. Everyone loved and respected Sissy - hardest working lady around~ I used to sneak over when I worked at the Parkway Room to the Deli and we would chat - and then she would come over to see Jackie Dugan and Honey. Let me tell you - the funniest dialogue ever - describing their customers of the day!!! Heaven gained a true angel! RIP. xoxo
