“ We use to hang in your parents store. I remember when your Mom was pregnant with the twins and she was on a pogo stick in the middle of 27th Street. So sad, gone way to soon. Prayers for his boys and the family.

“ I coached Tony in basketball in 1976 out of FSA. Our first game was against Richmond Robins. We lost a close game 35-33. After the game the kids went to chg. to street clothes when a fight broke out in the locker rm. I ran to see what the trouble was. Tony met me at the door and I asked what happened. Tony said nothing Mr Drum just two left hooks ended the problem. We had no other problems that year.

“ So many memories with Tony! Where do I even begin! Way back in the day I remember having the biggest crush on you for so long although we were never together at least I had the pleasure of spending a lot of time at your house hanging out with all our friends and what great memories we all had! Just being in your house on Sundays a lot with Debbie and Vicky while Vi was at work all day! Or hanging out with the gang when we were real young! Amazing and fun times we had growing up!..... Tony Argir gone way to soon a part of heart is very sad but I do know you are with your Mom and Dad and no more pain and suffering! Your not alone that's for sure so many have been gone for a long time now! Till we meet again! RIP!💙
