

Barton Allan Micklus

November 30, 2024

It is with great sadness that we announce that Barton Allan Micklus, age 64, passed away in his Philadelphia home on November 30, 2024. Bart is survived by his loving and dedicated wife of 12 years, Elizabeth Marchena Micklus, her children Pablo, Melissa, & Lasy, and grandsons Noah & Ayden (all of whom loved him as a father and grandfather), his daughter Samantha, his mother Carole, his sister Denise (Joseph) Pallante, nephews Augustus (Stephanie) and Gabriel (Jordan) and niece Maxine Pallante, his aunt Barbara (Bernhard) Kappler, his best friend, William Nicotra, as well as many close friends and cousins, and other relatives. He is predeceased by his father, C. Samuel Micklus. Bart fought a long battle against early-onset Alzheimers disease, which robbed him of his brilliant mind too early and too quickly. Bart was a life-long educator, teaching mathematics and computer science at the high school level (most recently at Mainland Regional High School in Linwood, NJ) and statistics, technology, and related subjects at the college level (including at Richard Stockton University in Galloway, NJ). Bart was a dedicated family man, always ready with a kind word and smile, who loved summertime fishing in the North Woods of Maine, golfing, watching the Eagles and Phillies play, and attending musical concerts. He will be greatly missed. Family and friends are invited to a viewing on Friday, December 6, 2024, at 1:00pm, with a service immediately following at 2:30pm at Dinan Funeral Home, 1923 Spring Garden Street, Philadelphia, PA 19130. In lieu of flowers, the family asks that contributions be made in Bart's memory to the Cure

Alzheimers Fund, curealz.org.

“ My deepest sympathies to the family and to his close friends. I'm gutted. We were Facebook friends but it's been a long time since we spoke or caught up in person. I think he knew that he was one of the most important teachers in my life (Mainland '93), but I wish I would have told him again. I spent much of yesterday thinking about those days. Though I did have him for a class or two, I mostly knew him through Odyssey of the Mind where he was our advisor. He was a terrific mentor and role model for us nerds, kind and gentle but with a mischievous sense of humor. He knew to give us space but was always there for support if we needed it. He was a good coach, too, as our team managed to win states and we got to travel to Colorado for the World Finals. His loss is huge, but please know that he left a dent in the universe. His spirit still lives on in the many thousands of students like me that he impacted over his long career. Rest in power.

*Dear Kathleen,
Thanks so much for posting these photos of my brother and sister-in-law! The photos really capture his good natured and fun-loving spirit, as well as the love the two of them so clearly shared!
Many thanks again,
Dee*
