“ Bruce, man my heart is broken, I just can't get my head wrapped around this. Sitting here remembering all the good times we had together and looking at old pictures. From Roman Catholic to all the movies we went to together, Concerts Ozzy, Megadeath, Ozfest etc. I never could get you to see Bruce Springsteen. You coming to my house on Christmas eve, going to Memphis to see Graceland together(The King of Clubs). Playing pool and getting drinks at McCusker's under yours and Helen's old apartment. Going to the Eagles or watching on tv. Our weddings those were some goodtimes. I wish we still had time to make many more memories. I'm gonna miss you forever.

I'll leave it with a part of one of our favorite Ozzy songs:

I'll see you on the other side by Ozzy Osbourne

*"Grieving, I hate to say goodbye
Dust and ash forever, yeah
Though I know we must be parted
As sure as stars are in the sky
I'm gonna see when it comes to glory
And I'll see you, I'll see you on the other side."*
