Erin, what a beautiful tribute to your grandmother/Mimi. She would be so proud of the love you captured within this video beginning with her favorite song. It is so funny that I just learned a week ago that the "Impossible Dream" was her favorite song. It was a cute story you shared from this summer on your way to First Night in Wildwood and it goes something like this: Mimi: Hey Er, does this thing play any song you want? Erin: Yes, it does Mim. Mimi: Could you play Impossible Dream for me, that's my favorite song? Erin: Sure. With the sun shining enjoying some fresh air, she listened & sung her favorite song while driving in the car with one of her favorite people.

I am so PROUD of you, Shannon, Kelly for taking the time out of your busy lives to always be a part of Mimi's life and including her always in the big events & the little ones. You girls have always shown her such love and I as your mother cannot "Thank You" all enough. She left this world with a piece of all our hearts but hopefully is living the "Impossible Dream" up in Heaven with Poppy Joe.

*Love You to the Moon and Back!
Mom*
