“ *My condolences to the Dolan family. So sorry I was out of town and couldn't come to Kitty's celebration of life. Kitty was the sweetest and I loved seeing her on her daily walk up and down 24th street. She was always happy and cheerful - an inspiration to all. God bless her. Carole Kempf*

“ *Kitty was a neighbor of mine on 24th Street and such a sweet person. We shared the same birthday, June 11, and every year on that day for over 30 years, when she was taking her daily walks down the street, she would always stop in and we would share birthday greetings. I will miss that. My condolences to the Dolan family.*

“Kitty and I met when our sons John and Michael were in kindergarten. She was always very friendly to me an outsider (not having been born in Fairmount). We always seemed to attend the same Mass together over the years. Her final funeral Mass was beautiful with Irish music and the grands and great-grands bringing roses to the Blessed Mother's altar. It was my honor to be there.

“My condolences to the entire Dolan family! When I think of growing up on 24th street, I remember all the years Mrs. Dolan (Kitty) would sit on the steps with my mom Roni and Terri along with all the other wonderful neighbors. Those were the good old days and best memories of a simpler humble life. Your life if meant to be celebrated! God bless you! ❤️🙏

“ Mrs. Dolan where to begin?? You were one of the kindest, sweetest, and almost loving woman Ive ever known. I will always cherish those moments we shared on your step and you teaching my kids how to use the concrete that separated the houses front steps as sliding boards something I used to do as a child. I loved how you would never miss mass and always walked down to CVS and the Philadelphian and would never allow anyone to help you. You held aunt Terris spirits up when she was going through the worst times of her life and I can never be so grateful for you putting your own pain aside to be there for her. You loved your children, grandchildren and great grandchildren with all of your heart. I loved listening to all your stories. You always told ppl how it was so gracefully and always said hi to everyone who walked by you. You were such a special woman and you are missed dearly. I know God gained another angel 🙏 to look over us. To the family my deepest condolences go out to you all as I know how much you all loved each other!! I will be keeping everyone of you in my thoughts and prayers. Rest easy our beautiful angel! I love you all so much.
