“ *Katy I just saw of your passing. We last talked via email in spring of 2015. Every time it snows I think of you saying "I'm wearing my dungarees if it snows! I don't care!"*

Always a real one. Always looked out for me. I will never forget you. Sending love to her family.

“ Although I have many fond memories of you Katy, one of my favorites is talking on the phone during a blizzard for hours...and naturally cocktails were involved along with tons of laughter, wonderful life stories, wickedly making fun of one another, and of course delicious gossip! You made me laugh those nights and so many other times at work especially when things were difficult - you made it better!!!

There are no words of comfort that will help ease your pain Ernie, Dane, Kerri and family. I'm so sorry for your huge loss. Katy was an asset to your family and way too young to leave our world! Know that her memory will live on and she will never be forgotten.

Spread your wings and fly girlfriend - you're dancing with the Angels now and in the palm of His hands!! Thank you for your friendship and laughter. Love you girl!! You will be sorely missed!!!! Until we meet again...

“ Ernie and Dane, my deepest sympathies for your devastating loss. Katy was a dear friend and kept me out of trouble more times than I care to recall. I will carry her great spirit, sense of humor, and most of all her infectious laugh with me always. Gain strength from one another and know that she love you both deeply and without condition.

“ Katy.... my dear friend. I miss your humor, you honest truth, your presence. I so wished you could have done all you hoped for. But the Lord knew best. Life is indeed too short. We should not waste our breaths talking, but use our energy to just do. May your beautiful spirit find Peace in the Heavens, for I know you'll venture to Bora Bora. :-) Rest Well my Friend..... your memory will live on. Pam

“ We are not real family, but I grew up with her since we were kids, always played jacks, Chinese rope, spin the bottle, in all ways she is my family, not by blood but we are family. I will miss her so much more than words can ever say. sis, you will be forever in my heart, we will meet again. My condolences to all, I wish I could ease everyone's pain. Fly high our beautiful Angel, with all our loved ones before us. Love you yesterday, today, tomorrow & forever. Silverlee, like you always called me, as much as I hated that name, I will miss it coming from you, the only one that always called me that knowing I hated it, but that was your fun with me & only you could call me that. Always & Forever in my heart. I Love You !! 💔 😭 🌹
