“ *Kara and Mike, please accept my condolences. Conor was a student of mine, and I will never forget his sensitive heart. He had the ability at a very young age to sit back and quietly assess a situation before adding a profound thought. He often made me smile, and I know for sure that he helped many of his friends through the years. I wish I could be with you tomorrow, but I will be out of the country. Conor was a blessing in my life, and I will be lifting you in prayers. Maureen Kosa*
