“ It's hard to find the right words to say, especially when my heart is saddened by your loss I will forever hold our talks, your smile and mild mannerism close in my thoughts..

It's hard to forget someone who gave us so much to remember. There are some who bring a light so great to the world that even after they have gone, the light remains. There are no goodbyes for us. Today and always, may loving memories of Danny bring All (Family and Friends) who loved and cared for him PEACE, COMFORT, and HEALING. Rest in powerful peace 🕊

*Blessed are those who mourn, for they shall be comforted.

“ Danny we meet in December of 1999.. We attended Georgia
together as classmates in the Fed academy. We always talked and
asked about each other's family and dogs. You were one of the
most nicest person ever. That is coming from one veteran to
another. You made me aware of the Cane Corso breed of dogs..
You always had something to say about the Philadelphia Eagles
and that Rocky statue. Godspeed my friend law enforcement
brother.. Peace to your family in need..
