“ I knew Diane through the Gourley family and valued her interest in and sharing of family affairs. Her willingness to help older family members by shopping for them or taking them along to the store was much appreciated. We could count on Diane to join family celebrations with enthusiasm, and she will be missed.

“ *I have photos of our Red Cross lunches get together from the beginning of time, but won't be able to attach them until I get back to Colorado. I always made everyone sit still for a photo whenever I was back in New Jersey and now of course we can look back and see how we all changed. What great friends we were at work and at play! Diane was the designated driver whenever lunch was in New Jersey or Penrose Diner in Philly. Not everyone had a car - she was so willing to pick them up and get them home. She enabled us to continue our friendships - we could not have done it without her.*
