“ Doreen is a fantastic person. I will always remember how she wrote me when I was in the Army and tell me all the news from Fairmount. She would write “Good news “Bad news” I still have the letters from 40 years ago. Prayers and condolences to Charlie Coleen and all her family and friends.she has a lot. She will be missed but not forgotten!

“ Our Deepest condolences to both the Hughes and La Corte Family. Our heart goes out to you at this time. Doreen was an amazing Woman. Quite an inspiration. I like to remember her buzzing around preparing the food for our family party's, making sure everything was just perfect, as she always did. Going 100 miles an hour getting things out hot. I can picture her up in heaven reorganizing their kitchen. God bless you Doreen. Love the Lawn, Dowd Carr Family💕💕

“ Doreen will truly be missed by all! My thoughts and prayers are with the family at this very rough time. It is evident how much she was loved by all. Her spirit in the last few months was amazing. Her sense of humor with the socks were contagious as everyone participated. Rest easy Doreen and may God bless all that are mourning such a lovely person. Vicky Passamonte

“ Doreen and I went to school together and hung out on 23rd & Parrish. She was always funny and had a smile on her face. After marriage we grew apart. We made a connection on facebook and I loved all of her socks. I know she is in heaven sitting on God's lap. I am so proud to call her a friend. May she R.I.P.

“ So many great memories of Doreen - most of all what I want to remember right now is our belief that spirit never dies and that she told me the last time I saw her a bit before Christmas, "Oh, I'll still be around." And I believe she is. Love to all family and friends of this amazing beautiful lady.
