“ *Mrs Notte was the best. She always treated me like a son. I loved going over and eating her butter cake. Me and Johnny (her son) would play guitar and drums in their basement. She would come down and dance even though we were not very good. Will miss her greatly Rest in peace.*

“ To Mr Notte, Angela, Anthony, John and all your family, your Mother was a wonderful woman always kind and easy to laugh. I have a great deal of respect for how brave your parent’s and Aunt and Uncle were starting fresh in the United States. In my career in immigration I witnessed how brave and strong individuals are that make that decision and each time I thought of the Nottes and DeFelipis. Sending sympathy and love.
