“ I loved my Uncle Ed so much. It was always the best of times when I would go to visit him at his Tower Apartment. There we would gather with friends. Usually: Sissy (RIP) aka his "wife", as he would call her. Sure they are together once more. Others: Cathy, Sandi, and my cuz Karen. Others would drop by on occasion as well. I can never forget Christmas when I brought over Fireball shots for us all. It was his first shot ever and after he had to sit and was laughing uncontrollably😂 Another time my husband Bob and I took him to the Olive Garden where he ordered a fettuccine dish. He tasted it and said he loved it!! He then took two bites and said"Wow, I am full! 😂He was loving, caring, witty, funny, a rascal for sure! I will carry his love in my heart forever and miss him until the end of time. Rest in peace Dear Uncle Ed.

“ Oh my Eddie. I will miss you so much. Until we see one another in heaven. Please watch over me and all your other girls here at the towers. It won't be the same without you. All your girls and wives, lol, and me your mistress, will miss you most. Give sissy a big kiss from her little sister. Sleep well sweet prince.
