“ Dear Frank and John:

I am just catching up on things at our home in Pennsylvania since we have been down the shore with our business in Ocean City. I read in the South Jersey edition of the Philadelphia Inquirer of your beautiful wife's death. Fran was such a lovely woman and so very prayerful. Once we left Cheltenham and you left Cheltenham our paths went in different directions.

As for you, John, our five children all went to St. Joe's School in Cheltenham and Frankie was in your class. Interesting that we recently met up and visited with Sister Joan Mickey. Do you remember her? -- Frankie is single and lives locally. Where are you living?

I would love to be able to communicate with you about some of our St. Joe's memories and reiterate to you how beloved your beautiful wife/mother was to me in life. I always admired her goodness - GOOD inside and out.

May God give you the peace you need as you pray for your own special St. Fran.

Love and Prayers to you from my husband Frank and our five children.
