“ *My wife and I were saddened to learn of Tim's passing and want to send along our deepest condolences to you all. We have both known Tim for our entire lives and seldom have we ever met someone who was so consistently kind, considerate and thoughtful. We never encountered Tim when he wasn't smiling.*

They say the mark of a successful man can be measured in how he treated others and how he was perceived. On that basis Tim was a great man.

Lest We Forget.
