“Dearest Dolores and the Graff family,
 (“Grief...for those of us who understand, no explanation is needed.
 For those of us that do not, no description is possible” Fran
 Solomon)

I am sharing in the sadness of your loss of Mr. Graff.

*I feel your immense pain and have been offering many prayers for
 you through this journey of loss. My dad Bob loved to joke with
 Booty in church after mass and share a laugh or two, a bright spot
 in his day. I pray they are sharing smiles together as they watch
 over us and guide us. Sending love to all of you. Sincerely Christy
 Muldoon and mom Mevie.*
