“ *Dear Family Members of Father Harry Hock: Thank you for posting Father Harry's obituary in the Richmond Times-Dispatch. Ironically, it was just a week ago that I happened to run into a long-time usher from Sacred Heart Church (our former parish) and asked him about Father Harry's whereabouts. He was not forgotten after his retirement by those he served during his time in Richmond. Father Harry was such a kind, gentle, and thoughtful person. We were blessed to have hosted him (along with Father David) at our home for a couple holiday meals. He was as well versed in current events as anyone we knew, and always found a way to weave lessons about these events into his sermons. Please know that he will be remembered for a life well lived in service to his faith. Our condolences on his loss.*
