“ *Diane and I met Jimmy when he was tending bar at Vinnies on State Road and Linden Ave. We all called him Jimmy the Undertaker because he was attending Mortuary School and his father was an Undertaker. I was shocked as he told me on his last day at the bar that his mother Margaret Mary was a Dinan from the Cathedral Parish. All the Dinan's are of a quality Irish, Catholic Demeaner.*

Whenever you meet someone with a likeable character as Jimmy and so many of my friends, I find them to be a true reflection of their parents.

R.I.P. Jimmy and I know you have quite a reception in heaven with the McCafferty's/Dinan's and all the souls your family has delivered home. Your uncle Tim has just joined you in the Communion of Saints.

P.S. Let's not rush into anything, my friend but please put the word in to keep a spot open for me and my family!!!

Big fish. Except my kids are missing. My equity is gone. There is a group that are gypsy like tribe of scam artists. And i was drugged, sexually assaulted and pictures showed up online. So, whatever happened to jack rogers for real? I doubt it was suicide.
