

Mr. John C. Montgomery

March 15, 1948 - December 19, 2021

John C. Montgomery, 73 of Montgomeryville, PA passed away peacefully at his home surrounded by his loved ones Sunday, December 19 after a long battle with Lewy Body Dementia. John was born in NE Philadelphia, PA on March 15, 1948 and was the son of John F. and Alice M. Montgomery and grew up with his six sisters. John served in the US Army during Vietnam War. He is survived by his wife of 27 years, Regina, and their 2 sons, Noah Patrick and Ian Matthew along with his other 3 children, Steven, Marc and Carin. John retired in 2014 after 45 years of working as a computer programmer at IMS & Sprint.

John was a very committed father, encouraging all of his children to be the best they could be. He was very interested and involved with their activities such as Boy Scouts, band, dance, baseball, hockey and many more. John enjoyed time with his family especially celebrating his 8 grandchildren's birthdays over the years.

John enjoyed music, going to concerts, golfing, camping & celebrating and hosting St Patrick's Day parties and making his famous corned beef and cabbage when he lived in both North Carolina and Pennsylvania. John enjoyed traveling as well. His favorite place to visit was to the Outer Banks, NC. His last family vacation was in 2019 with Regina, Noah, Ian and their two chocolate labs: Chubs and Tashi.

While John was not a man of many words, when he did speak, it was worth your while to listen as he was smart but also a very funny guy.

John was the love of his wife, Regina's life. Although they were polar opposites, he loved being "the salt to Regina's tequila".

If you have any stories that you would like to share to show how funny and loving he lived, please share below.

“ *I had the pleasure of working with John, Gumps as we called him, for over 10 years. He loved to harass me about being a die hard Penn State fan although he did see the light of being a PSU fan later. Well back in 1984, after PSU won their first National Championship, they were beat pretty soundly by Nebraska in the kickoff classic. The next day Gumps got up extra early to give a little gift to me at work. My cube had cornstalks all around it and my desk was full of ears of corn and corn husks. I can still see his smile that morning. I shared many great times with him and will never forget him.*

“ *He was a strong independent brother. The loss of our father was heavy for us 6 kids. He persevered through the challenges and went on to serve in the armed forces and began a life long career in computer programming/sciences long before any of us knew what it was all about. I could go on and on. He loved life and family. We all love you Johnny and you will be missed dearly*❤️
