“ Jackie made everyone feel good - here are 2 photos from our wedding in 1976 where he was the lucky guy who caught the garter and I know I saw him in the outfit on the photo display at his viewing

May God bless this very fine man. He was a valued friend to me and to St. Franny X. School. Among other things, Jack served as President of the Parent Home and School Association, in the 1990's. A very fine friend to many, many people. God bless him !

“ My cousin Jack...so hard to put my feelings into words. He was always nice to me. I spent a lot of time at his house when i young. He didn't treat me like a little kid. I enjoyed my visits with him when I came back to Philly. He had a great laugh. I will miss you.
