We are so blessed to have this vacation and so many other amazing adventures and memories with you. I love you and miss you so much. ~ Rachael

“I miss you Dad, I hope your new pipes can whistle a tune again in heaven. I'm remembering when you worked at Merck, you would go into the office whistling every morning and boy did that annoy your non-morning friends— “Do you have to be so happy every morning Joe” - yup!
Everyone loved you dad and you are always happy, and that's just how you will always be remembered.

Love your minor league whistling daughter, Rachael...
