“ Joe has been cutting my hair for the last 19 years and I am both shocked and saddened by the news of his passing. I always looked forward to my haircuts, because we shared a lot of the same interests it was fun to get caught up. I will truly miss him and hoping that his family finds peace in this difficult time.

“ I have been getting my hair cut by Joe since 1977. I have followed him from each and every place he had from the salon at Wanamaker's to the place above the dry cleaners and finally to 19 and Sansom. He was a truly talented hair stylist. There was no one better in the city. I am so sorry and heartbroken to learn of his passing. He loved his son and his family.
