“ To my Dad, Buddy & Friend,

It is with a heavy heart that I prepare myself to say good-bye.

You were without doubt the "Best Buddy" a girl (daughter) could have.

I hope you left this world knowing how much I truly loved you. You will always be forever in my heart.

Thank you for being you! Your laughter, your sense of humor, your jokes and your stories always were the hit of our family parties.

Most of my co-workers know you not by meeting you but by the funny stories I would tell them about you. One co-worker in particular, when she was having a "bad day" would say to me: Jane, can you tell me one of your dad's stories, I need a laugh!

You have touched so many people whether it be a Husband, Father, Grandfather, Great Grandfather, Brother, Uncle & Friend. Over the last few days I have truly seen how much you were truly loved!

Your Friends at Walmart will truly miss you and your kind gestures. I can recall one particular time I was with you and you had me picking out all kinds of candy to give to the girls at the Pharmacy. They always looked forward to seeing you.

Thank you for being the best grandfather to my girls!

I will miss you so much!

*"Love You To The Moon & Back"
