“ *So sorry to hear about the passing of a special lady. Although it has been a long time I look back fondly on my childhood and time spent on Chestnut St. I think I spent as much if not more time there than my own. I was blessed to have an “extra mom” and will hold a special place in my heart for her. My thoughts are with you all.*

“ There are so many things about you I will miss....  
I'm going to miss watching you make friends were ever you went,  
how you made so many people smile.  
I'm going to miss reading your grocery list on the backs of old  
envelopes.  
I'm going to miss your potato salad and meatballs ;)  
I'm going to miss reading the veterans flags with you in Lansdale  
and going grocery shopping with you  
I'm going to miss calling you sunshine and  
watching you climb into the jeep like a champ  
I'm going to miss going to lunch and you ordering extra ice in your  
water  
I'm going to miss getting lost with you on the back roads  
I could go on and on , we shared so many memories these past few  
years just you and I.  
I found such a deep friendship with you and I am so so thankful I  
was able to have these times with you.  
I miss you so much Mom ...my heart hurts so bad and I don't know  
how to do this  
"your favorite daughter named Kathleen"
