“ *One of my memories of Kathy was when she would take coffee and donuts to Walt and Steve at the shop during the Easter Season. I know they enjoyed having that special treat. It is proof of her caring for Family. We are hoping that those special times will remind us how she believed in Family and that she will watch over those she loved. I know Steve loves her like a sister. Our hearts go out to you on the lost of your Mom. We hope you can find the Comfort and Peace I know she would want you to have. We would like to express our sympathy to the entire family that loved her. Love and Prayers, Steve and Jeannie.*

“ *I don't even know where to begin. We were besties for a long time. Even though life happened for both of us, you were always just a phone call away. I am happy to have such good memories of the times we shared. Double dating, hanging out - there was nothing like it. I'm glad you were such a big part of my life and I will miss our long phone calls. I have no doubt that Walt was there to greet you, and that you'll spend eternity looking down on all of us. Rest easy, my friend. I love you.*

“ There are so many memories I wouldn't know where to begin. From childhood silliness to teenage sleepovers. Hanging out at Newkirk and Brown. Proms, weddings and children. (You met Walt at my son, Joe's christening) And, can't forget our "Mary Lizard Trips"! It's been a hellava ride, my friend, and I'm so glad I got to share it with you. Walt is happy to have you once again at his side. His gain, is our loss. You will be missed and thought of often with much love.
Rest in Peace, Kathy

“ I have been blessed to have one brother and one sister(God has called her to heaven) As I sat and tried to memorialize her, the word NO came to my thoughts immediately. Regardless of how easy or complex a situation, she was the first to help and never said no to a request for help.

She was my mom favorite and that is rightfully so- while sadness is in my heart, which time will never heal-there are four people who are very joyous, The first being my Mom and Dad to have their daughter back. The second being my cousin Berry, who is smiling that her best friend is with her. Finally, her husband Walt who has a big smile that his wife has come Home to him.

I am blessed to call her my sister-thank you for all you did for me

I just learned of Kathleen's passing and I am deeply saddened! It's been many, many years since I have seen her but loved her as my friend Donna's big sister. I always thought Kathleen was so beautiful and happy and always had a smile on her face. I know she will be terribly missed by her family and friends. May she rest in peace! My condolences to the family.
