“ *Linda was always happy to see us when we got together in The Villages! And better still when we happened to run into them by chance. What a small world it really is! I still want to run into her and will always be looking where ever I go! Miss you sweet girl! Much love to Joe and Kerri!*

“ Linda, you will be missed by many people, heaven sure gained a beautiful soul the day you left this earth. Our get togethers will not be the same without your wonderful sense of humor and beautiful smile. The last time we were together was one of best we ever had, so much laughter and friendship shared that night. Rest in Peace my friend until we meet again. My deepest sympathies Kerri, Joe and your entire family, she was special indeed. God Bless you all.

“ To Linda's Family,
Our deepest sympathy goes to all of you. We regret that we didn't get to see Linda since we found out she spent part of her time in the Villages. The saying don't put off today what you can do today is so true in this case. Linda was such a sweet person and just knowing her was a plus. May she rest in peace.
