“ I went to Notre Dame Academy on Rittenhouse Square for 8 years with Mary Frances. Her mother often drove me home after school. I was sad to learn through a mutual acquaintance that she had passed. My condolences to her family.

“ Mary Frances and I have been friends for nearly 60 years starting our friendship at St. Leonard's. During the years, we travelled together to Europe and the Caribbean. We had wonderful times. A few months ago, we reminisced about those trips remembering the fun times we had. We laughed a great deal during that conversation. I will never relive those memories again with her nor hear her beautiful laugh. Mary Frances will be sadly missed by me and everyone who had the privilege of knowing her.

Mary Frances (we called her MF) was a good friend all through high school. I remember laughter and dancing in the "lower rec."
