To the love of my Maureen.I know you are looking down watching our children Cynthia and Jo Joall is well with our babies.They are getting bye waiting for the day we will all meet again.JoJo is applying for college.As for me your husband I did not want to be on this planet without you.I miss my soul mate terribly and will spend my remaining days lost in a romance that is a wilderness of pain. I will never find anything like we had.I wish I could find those responsible for leading you down that dark path.Iwill never give up hope when it comes to seeing my true love again.Please come to me in my dreams fantasy girl, you husband Joseph D Kalita

Joseph D Kalita Sr just updating on current events with our children Cynthia moved out of Greg and Devon's house. Cynthia moved into her first house with Courtney. She is doing well. Working hard and I found a really great partner you would like him he's a good man . Jojo doing well in college living at Melissa and Mike. I'm a very lucky man to have a family like this. Little Madi is home. He looks like he's doing well .Uncle Marty is fighting his illness and he will prevail . As for me still searching for the ones responsible for your demise. My only purpose is to try to be a good father but I don't think I know how to do that kids better off Without me. They need you ,I need you. I am doing my best but I can't seem to get with today's technology plus I'm Even more blind so I'm at a touch at a place and at a time. If I could just get into a Time Machine go back To the mid 90s I'd be in heaven because being without a purpose Is like being lost in time. Until we meet again my love I will be lost.
