“ Hi, I am so sorry to hear of this 😞 this is Joe Stumpo from Olde City cab. I had the pleasure of knowing Rocky and worked with him, and socializing with him. I considered him to be a great friend and person. I thought it was great that I found him on FB and it was great to reconnect with him, sharing funny memes, little did I know this was going to be short lived. To you Carol and the boys my deepest condolences to you and your family. I believe I met you and the boys when they were young, one time around a Christmas holiday in Fairmont. I'll never forget the kindness and hospitality that he and your family bestowed upon me. I think too Carol you were at one or 2 of the Olde City Christmas parties. I don't know I missed the notice when it happened but I am sorry I couldn't be there for him you and the rest of your family. One night after socializing at the I.A. club I couldn't drive back up to the NE and Rocky being who he was drove me home and made sure I made it home safely. Thank you big guy, I'll never forget you ❤️🙏😞! You 🙌 Rock. RIP

“ There was only 1 Rock in Fairmount, and when you said his name, everyone had a Rock Story to tell Michael was unforgettable in a lot of ways, I worked with Mike and his Father Big Jim, and I Loved them both, Heaven just got a lot funnier with it's newest Angel.
