He's with his children now who he missed and loved so much. Thank you Juls for being the great wife you were and taking care of him all these years. I know how much he loved and appreciated you.

“ *I'll always remember his love for playing the Drums, Building Models of tanks, and Battleships, his love for The Godfather, Goodfellas, The Three Stooges, Married With Children, Alien, Steely Dan (especially The Caves of Altamira), Cream (Ginger Baker), and The Beatles. I'll always remember sitting with him, watching our Tv Shows, and cheering during games, whether it be for the Eagles winning, or Dallas losing. Most of all, I'll always remember him for how much he loved his family. I Love You POP. I'll never forget you. Our House will never be the same without you.*
