“ Please accept my deepest sympathies and sincerest condolences to all family members on your loss. I worked with Nancy at Garrett-Buchanan for 8 years, she in the accounting department and I in Computer Services. There were times that we would spend hours together attempting to resolve balance discrepancies in daily billing or month end reports. I am sincerely sorry that we did not continue our friendship for many years upon my leaving G-B until we connected again on Facebook. At least we were then able to wish each other holiday greetings and birthday wishes. Again, I am so sorry to hear of Nancy's passing as I know what a wonderful person she was and what she meant to her family.  
With sadness in my heart, respectfully Don MacSaveny.

“ I knew Nancy and Jackie for many years, working with them at Garrett-Buchanan Co. They looked like twins with their beautiful Irish faces and long dark hair. Nancy would sit at her desk where you would always see the latest school picture of her son John nearby. Who knew my niece Jamie and John would meet some day, marry and have a family of their own. John, you were blessed with a wonderful person for a mother, and I know your memories will keep her near. My sympathies to you, Jamie, and the girls.
