“ *I love this picture of Pat in her Phillies outfit, what a nice tribute to her as they were most definitely her beloved Phillies !! I am so glad I had the pleasure of meeting and getting to know Pat and her family over the years. When I first met Pat she was quiet as was her nature at first, but as time went on she would give me a hug and kiss and that great smile of hers and we shared a nice friendship and good conversation. She will be missed by all but she will live in the hearts of her family and friends forever.*
