“ Uncle Dick was an amazing, funny and positive light in our lives. I did not know him as a child but got to know him as an adult and am very thankful for that. Carl and I took a couple trips back to PA to spent time with him, Brigitte and cousins I have never really known until 10 years ago. Uncle took us on a tour of where he, my Dad, & other siblings grew up. It was such a good visit.....I believe that my father, Hoddy Fritz, who died at the young age of 49 had many similar character traits. They both loved sales (Jennifer, my borther and I ended getting that trait:.) Carl and I went back for Uncle Dick's surprise 80th birthday party and HE WAS SUPER SURPRISED.....he pulled out photos of the past and family pics I would have never ever seen if it not for him. He lived a good life and he will be missed by so many. Rest in Peace Uncle Dick. WE love you.....your CO family.
