“ I am just hearing about Sandy’s passing. She and Bray were great friends of my Dad’s. I always enjoyed talking to the two of them and sharing some laughs. I know she missed Bray terribly. Sending heartfelt condolences to her family and friends. May her memory be a blessing

“ *If I would have known my last visit would be our last, I would have held onto that moment forever. I hear your laughter when I close my eyes, I don't want to open them. To Pumpkin I love you and miss you more than you know. To her grandchildren, you were blessed to have such an amazing woman to call grandmom. Please keep her spirit alive and at your saddest remember she is always with you. Goodbye dear friend, I will always remember the times we spent laughing the nights away. You, me and Steve, playing pinochle, the constant laughter and Joey with his rendition of A Bushel and a Peck. Give Joey and Pammy the biggest hugs and until we meet again my dear friend. I love you forever.*
