“ *As neighbors and former postal route customers, we will miss hearing Vince shout "Hey, Leigh", or " Hey, Mike". Even after his route changed, we still often saw him and we would stop and talk about the Cubbies, his new knee, or his upcoming & much looked forward to retirement ...we were always met with a smile and a wave.*

*We will miss you, Vince.*

*My condolences to the Young Family and those close to Vince... Vince was a wonderful person, always happy, and we joked together all of the time. Not only did he bring our mail every day, but he brought a smile to all of us. I will miss his daily visits to Angelino's and seeing him in the neighborhood up and down our streets even in the worst weather... We have lost a great man, and a good friend. Chris.*
